**Colorado Springs, CO –** **Kara Nichols**, 19, left her home in Colorado Springs bound for Denver on October 9, 2012 only to not be seen again by her family and friends. The last call on her cell phone was at 11:45p.m. on October 9th. The family of Nichols is hoping someone in the public knows something about her disappearance and the whereabouts where their daughter is.

The Nichols' family has launched a Facebook Page **https://www.facebook.com/HelpUsFindKaraNichols** where the public can download the flyer and help them to get the word out in the state of Colorado and beyond. A new flyer has also been created; we ask folks to print and post it. Both the site and flyer are the ONLY official site and flyer being used at this time; any other items not provided by the family and/or the El Paso County Sheriff's Office are not approved by the family and police.

The family has retained Michelle Bart from the National Women's Coalition Against Violence & Exploitation to help them with keeping Kara's case and face visible and both NWCAVE and the El Paso County Sheriff's Office are working in tandem in an effort to bring Kara home to her family. Any questions regarding the investigation may be directed to Detective Cliff Porter (719) 520-7227 and media inquiries may be directed to Michelle Bart (626) 644-3472.
